- RICK ALLEN

■ Allandale Chardonnay, 2008

I used to drink a lot of this in my younger days because it was always exceptional value for money. After tasting this, clearly it still is. It is true to the Allandale style: peach flavours dominate, with some hints of pear and citrus, and the trademark crisp, clean finish. A versatile wine that will shine whether it be at a backyard barbecue or in a classy restaurant. Good value. \$18.
